

HAVE IT ALL

May you have auspiciousness and causes of success
May you have the confidence to always do your best
May you take no effort in your being generous
Sharing what you can, nothing more nothing less
May you know the meaning of the word happiness
May you always lead from the beating in your chest
May you be treated like an esteemed guest
May you get to rest, may you catch your breath

And may the best of your todays be the worst of your tomorrows
And may the road less paved be the road that you follow

Well, here's to the hearts that you're gonna break
Here's to the lives that you're gonna change
Here's to the infinite possible ways to love you
I want you to have it
Here's to the good times we're gonna have
You don't need money, you got a free pass
Here's to the fact that I'll be sad without you
I want you to have it all

Oh! I want you to have it all
I want you to have it
I want you to have it all

May you be as fascinating as a slap bracelet
May you keep the chaos and the clutter off your desk
May you have unquestionable health and less stress
Having no possessions though immeasurable wealth
May you get a gold star on your next test
May your educated guesses always be correct
And may you win prizes shining like diamonds
May you really own it each moment to the next

And may the best of your todays be the worst of your tomorrows
And may the road less paved be the road that you follow

Well here's to the hearts that you're gonna break
Here's to the lives that you're gonna change
Here's to the infinite possible ways to love you
I want you to have it
Here's to the good times we're gonna have
You don't need money, you got a free pass
Here's to the fact that I'll be sad without you
I want you to have it all

Oh, I want you to have it all
All you can imagine
All, no matter what your path is
If you believe it then anything can happen
Go, go, go raise your glasses
Go, go, go you can have it all
I toast you

Here's to the hearts that you're gonna break
Here's to the lives that you're gonna change
Here's to the infinite possible ways to love you
I want you to have it
Here's to the good times we're gonna have
You don't need money, you got a free pass
Here's to the fact that I'll be sad without you
I want you to have it all

Here's to the good times we're gonna have
Here's to you always making me laugh
Here's to the fact that I'll be sad without you
I want you to have it all

Celebrating

Kailee Brynne Jessop

January 30, 1996 ~ August 5, 2022

Kailee's I AM Statement July, 2016

I AM a power-ful, beautiful, loving, authentic woman of light. I create joy and laughter wherever I go! I have such a beautiful and loving heart. I hold others to their magnificence because I know who they are, as I go through life I serve others and send love to all because that is what I am. I AM pure love and acceptance. I bring forth, creativity by realizing limits of myself and others. Trust by being open and vulnerable and abundance by being grateful for all people and all situations in my life. By being my contract I bring all this and so much more because I am a limitless and incredibly power-ful woman of light!

Love, Kailee.
Always.

Kailee Brynne Jessop transcended from this earthly experience to her spiritual adventure on August 5, 2022, after a courageous 3 year battle with a glioblastoma, brain cancer. She was born on January 30, 1996 and was raised by her mom, Carrie Kelsch; step dad, Ryan Humphreys; and dad, Richard Jessop. Kailee celebrated a great life with her brothers Elijah Jessop, Mason Jessop and Stratton Humphreys. She was known to all her friends and family, as "Boo" and had the most outgoing, bubbly, and energetic spirit.

Boo loved to read, listen to music, sing, and most of all dance. She could always be found on the dance floor at every event. A radiant and power-ful spirit, she was either dancing her heart out with her best friend, Vista Kelsch, working on her muscle car covered in grease or playing hacky sack with her brothers; you would be hard pressed to find a more compassionate, confident, accepting, and loving person. Even though she faced many challenges during her illness, she always greeted everyone with a big smile and the best hugs ever. As time progressed, she eventually lost the use of her right side and the ability to communicate verbally, but even with these obstacles, she remained positive and eternally grateful to the universe for her experiences.

Kailee was preceded in death by her brother Camron James Jessop, grandfather Jim Jessop; and grandmother Nan Jessop. She is survived by a large family and many friends that will always cherish and love her. Everybody who met Boo always came away with a feeling of compassion, love, and joy, because that's the way she lived her life,
